Our experience tailored to meet your clients needs

We act for InterBay in the legal process to complete the loans whether for a re-finance or a purchase. All the time we have your client as our "client's client" at the forefront of what we do. As a firm our service to our clients is at the heart of what we do, we work to inspire confidence in our clients and contacts by behaving in line with our core values.

Committed
Getting the job done is a given. We genuinely go the extra mile to make sure of a worthwhile, valuable outcome.

People focused
We stand in our client's shoes. Our role is not only to comment upon the law but to give you our opinion in plain English.

Service led
We strive to deliver excellence every step of the way.

Paris Smith LLP is a highly respected multi-disciplinary law firm celebrating over 205 years of providing legal services. Our relationship with InterBay stretches back 18 years. We have a clear vision of the future and pride ourselves on evolving to meet the ever increasing demands and pressures of businesses and individuals alike. We act for InterBay but we understand the needs of their borrowers, your clients.

We have a dedicated team of lawyers who are committed to processing the loans for InterBay. We can also draw on a wealth of experience from the wider firm, in particular our large Property team and Corporate and Commercial (Banking and Finance) team who support our InterBay Property Finance team. We work also with our Dual Representation team (who act for the borrower) and between us we guide our client and your client through the legal process in as cost effective, smooth and efficient a way as possible.

You can be confident that when InterBay instructs Paris Smith LLP, your clients benefit from their loan being handled by us.
